

# Carer Aware Professionals Week

## Are you Carer Aware and confident of where support for Unpaid Carers can be found?

Join us from Monday 14th - Friday 18th March for our **FREE** short sessions to find out more about support services available for Carers in the county.

The Carer Aware Professionals Week has been designed for anyone working alongside or supporting Carers within the county. You might for instance, come into contact with Carers at any point during your day.

Whatever your role, the aim of the Carer Aware Professionals Week, will be to increase your confidence in identifying Carers, understanding the processes and services available through the Carers Hub as well as other Countywide services.

To book please email [bookings@peopleplus.co.uk](mailto:bookings@peopleplus.co.uk) - links will be sent closer to the time.
